Hi There

Welcome to our fourth edition and possibly what seems to be one of the fastest moving terms we have experienced yet. Already with only several weeks remaining we are here again reminding our students that the term is drawing to an end in a hurry and our next showcase is just around the corner. In the next Mbikay Dance Bravura we are showcasing a variety of choreography created and taught to the students by several of the Kabamba crew. For further information about our company please check out our website www.mnbentertainment.com.au

Sincerely
MnB Management

*n.b Bravura is a word that originated from the Italian word **bravare** - to show off, and has several meanings such as a showing of daring or brilliance.*

The Academy works from three different locations, and whilst we strongly support and encourage students from these schools, the Academy is open to all people from the western suburbs, so tell your friends about it and encourage them to come along. If you know people who would like to trial a class, this option is available, but will cost a one off fee of \$15. Classes are available from 4yrs of age.

Payment and Registration forms for the term MUST be finalised no later than the second week of classes each term.
